Crowd enjoying Woodspring-Stock, 2013

Woodspring-Stock

Join us for Woodspring-Stock 2014 on Sunday, July 13 at the Cormier home on 62 Woodspring Road. Music begins at noon and runs until we all are exhausted. This year we will be featuring Sax & Jackson, our own Bruce Kimball with friends, the Fireside Fiddlers, Points North, and Pam Weeks and Bill Olson, fiddler and mountain dulcimer extraordinaire from Maine. Bring a picnic and lawn chairs and plan to spend the day. The event is free but donations will be accepted to help offset the cost of the bands. If anyone has a shade awning they would be willing to lend, we will gratefully pick up and return at the end of the day. Thank you! And see you there!

RMC Trail Crew News from Mike Miccuci

The Randolph Mountain Club trail crew will be moving into the Stearns lodge on the 26th and 27th of May to begin three days of orientation. Returning crew Brian Behr, Jordan Cargill, Sarah Allen, Lauren Anzalone and Ethan Denney will be joined by Dylan Young and Rhiannon Stratton. New to the job but not to the RMC are JP Krol and Field supervisor Cheryl Byrne who come to trails from camps and the GMC.

For those of you used to perfectly clear trails in early to mid-June, here is a heads up to let you all know that a grant commitment requires us to jump right into a project on the Link and Cliffway before we patrol this year. We will get to patrolling in late June, after which the crew will work on a long term project on Four Soldiers and Underhill and the new trailhead on Randolph Hill Road.

Funding for this summer's projects is through a grant from the NH Recreational Trails Program and the RCF.

Be sure to visit with the crew while you're out on the trails.
